## **Disclaimer/Waiver of Liability**

---

This handbook is an attempt to offer accurate and complete information as of the date of publication. Licenses and/or permits may be required for surveying, engineering, real estate, pesticide application and other land-use practices; always check with your local city/county/state authorities to determine license and permitting requirements. Due to constantly changing law and regulations this handbook does not relieve any responsibility of the users to know and comply with the most current laws and regulations.

The Marion Soil and Water Conservation District is an equal opportunity employer, providing services to the public without regard to race, religion, color, sex, sexual orientation, gender identity, national origin, mental or physical disability, marital status, age, or other protected status or activity in accordance with applicable law.
