AGENDA

Call to Order – Scott Walker, Chair

Funding Review/Discussion

1. Ankeny Hill Nature Center Pollinator Node -District Manager recommends funding this through Budget Line 23 - Conservation Projects with Partners. She requested that the organization submit the request (Salem Audubon) as a stand-alone document that outlines:
 - requested amount
 - total budget
 - timeframe
 - anticipated outcomes
 - targeted audience
 - conservation topic/focus
 - supporting documentation

Salem Audubon has submitted the attached proposal, as requested. Salem Audubon has received \$835 (2019) + \$1,000 (2019) + \$930 (2018) + \$1,000 (2017) = \$3,765 total in last five years, so they qualify for the requested \$4,500 in funding from us. (There is a maximum of \$7,500 per applicant per fiscal year and a maximum of \$22,500 per entity per every 5 consecutive rolling fiscal years.)
