About Marion SWCD

A Special District

Soil and Water Conservation Districts are special districts with no regulatory authority. Special districts are the most basic, grassroots form of government. Other examples of special districts include fire districts and irrigation districts. Approximately 900 special districts exist in Oregon, 45 of which are soil and water conservation districts.

Marion Soil and Water Conservation District is divided into five zones as shown in the map at left. Each Zone is represented by a Zone Director position; the other two Director positions are At Large and represent the entire MSWCD.

Mission and Origin

The mission of the Marion Soil and Water Conservation District is to partner with people in support of thriving lands, clean water, and healthy habitats in Marion County. We do this through planning, technical assistance, and education. MSWCD got its start in 1971 when three smaller soil and water conservation districts merged. MSWCD serves residents of Marion County, except for those residing in a small portion of northern Marion County, which is not a part of the MSWCD.

In Marion County, three conservation districts were organized between 1947 and 1953 in response to public demand, with offices in Stayton, Silverton, and Mt. Angel. The districts were organized to work on problems associated with flood control, riverbank stabilization, weed control, improvement of fertility and any other problems affecting the best use of land and water resources within Marion County.

In 2000, Marion County electors voted to fund MSWCD with a permanent rate limit of \$0.05 per \$1,000 assessed land value. The District receives revenue in the vicinity of \$1.5 million/year and employs 10 full-time and 2 part-time staff.

Learn more about MSWCD and its programs at www.marionswcd.net.

Seeking Candidates for Board Membership

The Marion Soil and Water Conservation District Board of Directors (Board) is comprised of seven Directors. Each Director is elected by the registered voters of the district to serve a four-year term. The MSWCD has **five** Director positions up for election in 2026: **Zones 1, 2, 3, 5 and At-Large 2.**

Eligibility

Two types of director positions are available: Zone and At-Large. Check with the MSWCD office to determine if you are eligible for a Zone or an At-Large position. Oregon Department of Agriculture (ODA) will review the information provided on the Declaration of Candidacy form to ensure the candidate qualifies for the position.

Zone Director Requirements

- Must reside within the zone they represent in the MSWCD.
- Be a registered voter in that District.

At Large Director Requirements

- Must reside within the boundaries of the MSWCD.
- Be a registered voter in that District.

Average Time Commitment

Directors attend monthly board meetings, which typically last 3 hours. They spend about 1.5 hours per month reading board meeting packets and associated materials. In addition to board meetings, all Directors are members of the Budget Committee, which meets once (sometimes twice) a year. The majority of Directors also participate in other committees, which hold at least six 1-hour meetings per year. In addition to these duties, Directors are invited to participate in the District's education and outreach events. The total time commitment ranges from 72-88 hr/yr (6-8 hr/mo).

Attend Board Meetings

We recommend attending a Board meeting or two prior to deciding to be a candidate to understand what Director duties entail. Hybrid meetings, accessible online or in person at the district office, are held the first Wednesday of the month from 6:30 to 9:00 PM. Check the [events calendar on the MSWCD website](#) (www.marionswcd.net/events/) for meeting dates and information to attend.

What Directors Provide

Community Service

Members of the public have a real impact on the services provided by conservation districts. Board members extend the reach of the MSWCD; a board rich in skillsets, perspectives, identities, and lived experiences can help the organization develop programs and services that meet the conservation needs and interests of the wide range of community members found in Marion County.

Legal Compliance

A board member of Marion SWCD serves on a seven-member Board of Directors (Board) and is responsible for conducting the business of the MSWCD in compliance with [Oregon Revised Statutes Chapter 568](#). The Board has the legislative authority and power to establish policies and procedures that are in the best interest of the residents it serves. The Board ensures that the District achieves its mission in an ethical, transparent, accountable, and prudent manner.

Strategic Impact

Individually, Directors do not have any power, but acting collectively the Board of Directors works to create a positive impact on the community. Together, the Board makes decisions and sets policy at a strategic level through participation in Board meetings, strategic planning sessions, and committee assignments. Board members also do the following:

- Attend the monthly Board meeting held on the first Wednesday of each month (sometimes special meetings can be held to address specific issues).
- Serve on committees.
- Review and adopt the annual budget.
- Approve financial reports.
- Set goals and evaluate progress towards those goals.
- Hire and evaluate the District Manager.
- Connect with the community – attend community events as a representative of the District to learn what community members' conservation needs and interests are and share that information with MSWCD staff.

Why Serve on the Marion SWCD Board?

How Service Benefits You

By serving on the Board of Marion SWCD, you will:

- Reap the rewards of being part of a diverse and collaborative team, where Directors and staff value the MSWCD roles, perspectives, and skill sets each member brings to the table.
- Gain experience in government and leadership that can translate into other potential career or political opportunities.
- Stay informed on current conservation concerns and ecological science.
- Attend trainings to understand Director responsibilities and build skills.
- Receive the personal satisfaction of community service: The MSWCD's purpose is to help community members access the tools and information they need to conserve natural resources.
- Get to know us better. Board members become familiar with MSWCD programs and initiatives and feel competent to speak about MSWCD programs with their constituents.

How Your Service Adds Value to Marion SWCD

- Help the MSWCD extend its reach – the diverse perspectives of new Directors help MSWCD more effectively address the needs and interests of those we serve.
- We can't operate without elected Directors who are willing to volunteer their time and talents.
- Your service helps ensure MSWCD programs and services are informed by diverse voices and accessible to a wide diversity of community members. This can mean the conventional measures of diversity or having a variety of perspectives and experiences on farming practices and ecological science.
- While we provide the community with conservation services, our organization is strengthened by having Directors with diverse backgrounds and skill sets, including financial and business management, human resources, public service, education, community organizing, farming, natural resource management, diversity, equity, and inclusion as well as other knowledge and skill sets.

How to Become a Director

Currently MSWCD has **five** Director positions open for election: **Zones 1, 2, 3, 5 and At-Large 2**. If you are interested in running for election you need to complete the following steps.

Step 1: Declaration of Candidacy and Petition for Nomination

First gather the required documents from the Oregon Department of Agriculture [election page website](#) (Declaration of Candidacy and Petition for Nomination). Circulate the petition for 10 or more signatures among registered voters who reside in the district. Candidates are advised to obtain more than the required number of signatures to ensure the petition contains the required 10 valid signatures of registered voters who reside within the district. Candidates must complete all fields and sign the Declaration of Candidacy for Director form and Petition for Nomination signature sheet, **then submit to the County election office for certification**. Office is located at *555 Court St NE 2nd Floor Suite 2130, Salem, OR 97301*. Time should be allotted for the county elections office signature verification process.

After certifying the signatures, the county elections official will return the certified Petition for Nomination Signature Sheet to the candidate.

Step 2: Submit Declaration & Petition to ODA

Submit the completed Declaration of Candidacy for Director form and **certified** Petition for Nomination signature sheet to the Oregon Department of Agriculture (ODA) SWCD Election Clerk, Sandi Hiatt, beginning July 16, 2026, and no later than 5:00 p.m. on August 25, 2026. Documents may be submitted by email to [**Sandi.Hiatt@oda.oregon.gov**](mailto:Sandi.Hiatt@oda.oregon.gov) or mailed to:

Oregon Department of Agriculture
Attn: Grants Administrative Officer
635 Capitol St. NE, Suite 100
Salem, OR 97301

All nomination materials must be received by ODA no later than 5:00 p.m. on August 25, 2026. Materials received after the deadline will not be accepted, regardless of postmark date.

Incumbent Directors Seeking Re-Election:

Incumbent elected directors seeking re-election to the same position must file their Declaration of Candidacy for Director form and certified Petition for Nomination signature sheet no later than 5:00 p.m. on August 18, 2026.

Documents received before July 16, 2026, will be returned to the candidate. Electronic submission by email is preferred. Candidates wishing to submit materials in person should call 971-301-3605 to make arrangements. ODA will review all submitted materials to verify candidate eligibility and qualification for the position sought.

For all of the details on district elections download a copy of the Elections Manual at: sos.oregon.gov/elections/Documents/county-city-district-candidates.pdf. Pages 23 and 24 are the most relevant. Other important resources can be found on the Oregon Department of Agriculture's SWCD Elections page at bit.ly/oda-swcd-elections.
